## SPOTLIGHT

# To All My Retailers,

By Mike Soper, Coastal MSR

My retailer spotlight for this month is, in fact, most of the retailers in my territory. For me to try to come up with a single standout retailer that is above and beyond those other 120 retailers I call on is impossible.

Should I choose my top retailer over the retailer with the best ticket display? What about my retailer that ranks 37 or 89 in my territory that always has a great friendly staff and shows customer appreciation? Most all retailers deserve to be highlighted for all they do.

The key ingredients for success in selling lottery products are simple: Keep your dispensers full throughout the day, be sure tickets face forward for customers to see, and cash winning tickets. If you don't, customers will find another retailer who will. Please remember that all retailers have agreed to pay winning tickets up to and including \$500.

Lottery sales are great because you make a great effort in selling our products. As our COO Tony Cooper states when closing our state meetings in Columbia, "Have fun and sell more tickets!" And, thank you for being standout retailers, one and all.
